

SCHOLARSHIP ASSISTANCE APPLICATION

The City of Astoria and the Astoria Parks, Recreation and Community Foundation recognize the need for financial assistance for some local individuals and families to access health and wellness opportunities through Astoria Parks and Recreation. For those who qualify, specific scholarships are available from the APRCF.

To qualify, applicants must provide proof of residence within Astoria as defined by the Astoria School District (see map) and proof of household income documentation. Two types of scholarships are awarded based on income: 100% scholarships for those who meet very low household income requirements; or 50% scholarships for those who meet low-income requirements. APRCF follows the income guidelines as provided by the Oregon Department of Education for Free and Reduced-Price Meals for Oregon students. Information about qualifying proof of residence, proof of income and income charts can be found on the back of this application.

Application submission is not a confirmation of a scholarship. Once a scholarship is approved, the recipient is required to pay (if applicable) the balance of the program cost and agrees to follow normal registration and facility procedures.

Scholarships are not transferable and may not be used for the following programs: childcare, Oceanview Cemetery plots, private swim lessons, pool rentals, merchandise, daily drop-in or Cash Cards.

To determine if you qualify, the following application must be completed with income verification documents attached. Please allow up to 14 days for approval.

Scholarships are granted on a per-use and individual basis. Please submit a separate application for each activity for which you wish to apply. For example: submit one Application for a quarterly pool pass. Submit another Application for swim lessons.
